Senior Lecturer, Faculty of Architecture,

Senior University of Moratuwa, Architecture,

University of Moratuwa.

## Acknowledgement

To understand and to compile relevant information in producing this dissertation the help and encouragement I receive from everyone, loves me indebted to them and I gratefully acknowledge their support and guidance.

- Prof. Samitha Manwadu, Head of the Department, University of Moratuwa, for the opportunities that he made for me to understand this subject area.
- Dr. Harsha Munasinghe, Senior Lecturer, Faculty of Architecture, for his valuable guidance on research and resources till the completion of the dissertation.
- Archt. Arosh Gamage, Senior Lecturer, Faculty of Architecture, University of Moratuwa, for his valuable guidance.
- Eng./Landscape. Susira Udalmatte, Lecturer, Faculty of Architecture, Landscape Division, University of Moratuwa, for the guidance and resources.
- My friends who had been very influential in the development of the dissertation through helpful criticism, guidance and equipments.
- My Mother and my Brother who encouraged me in every struggle to realize this.

## **Table of Contents**

Acknowledgement  
Contents

### **Introduction**

Observation	I
Criticality	I
Issues of the study	II
Intention of the study	II
Scope and Limitations	II
Method of study	II

### **Chapter one**

#### **Chronological Development of Child and Creativity**

1.1 Child.....	01
1.2 Child and development	02
1.2.1 Development as a sequence	02
1.2.2 Theories used in the study of children	03
