## Acknowledgement

---

I extend my sincere gratitude to Prof. Samitha Manawadu, Head of the Architecture Department, for this insight, invaluable ideas and comments given me thought out this endeavor, and also to senior lecturer Dr. Harsha Munasinghe who has given me the right guidance, my heartfelt gratitude and appreciation.

I'm deeply indebted for the guidance, encouragements and valuable comments given throughout the study to senior lecturer Arht. Sithumina Rathnamalala.

I also extend my sincere thanks to senior lecturer Landscape Arht.Susira, Arht. Bernard Gomes and Arht. Vinod Jayasinghe for their valuable guidance, encouragement and support given through out the whole period, witch contributed immensely to the success for this research.

I also extend my sincere gratitude to the staff members of the National Museum Library and public libraries for the assistance given in acquiring the relevant written materials.

To my friends and my seniors, my grateful appreciation for helping me in numerous ways.

Finally I must humbly mention my father, my mother and sister with deep affection and honor for the love and assistance given.
