

REFERENCES

This report made references to several studies that had been previously carried out with re-appreciating the hard work few of such documents are thankfully mentioned below.

1. Engineering science, Inc. (1980) Greater Colombo Water Supply Improvements, Final Design Report.
2. Rosen. B. Trouble Shooting in Water And Waste Water Treatment.
3. Ondeo Degrimont.(1991) Water Treatment Hand Book, Vol. 1,6th Edition
4. Mouchet.P. (1993) Water Management and Treatment in France, Plant Design and Rehabilitation
5. Ondeo Degrimont(2003) Ambatale WTP Water Treatment Plant Drawings, (Unpublished)
6. Ondeo Degrimont(2003) Water Treatment Plant Operation Manual/Training Document (Unpublished)
7.  University of Moratuwa, Sri Lanka.
Electronic Theses & Dissertations
Japan Water Works Association (1978) Design Criteria for water works facilities
8. Nippon JoGesuido Sekkei Co. Ltd. (1992)
Basic Design Study Report on the Project for Rehabilitation of the Ambatale Treatment Plant
